12:  $\mu$

The diagram shows a linear chromosome with a centromere (C) and two telomeres (T). The centromere is located in the middle of the chromosome. The telomeres are at the ends of the chromosome. The chromosome is labeled with 'μ' at the centromere and 'μ' at the telomeres. The chromosome is also labeled with '26' and '27' at the ends, indicating the chromosome number. The centromere is labeled 'C' and the telomeres are labeled 'T'.
